Registration Statement

Registration Statement is a statement of account for Registration. It lists the courses for which a student is being charged (plus courses on wait list for which there are no charges as yet). It contains any charges or credits which are associated with the term. It may include other charges which were incurred during the term.

You must be registered in a term in order to get a Registration Statement.

Select a term and click submit to view a Registration Statement. Otherwise, Click on menu.

Please select from the terms listed below.
If the desired term is not available, please complete registration for that term.
