JUNIOR BULLETIN

2020-2021

COLLEGE ENTRANCE EXAMS: The SAT or ACT (with writing) exam is required by most four-year universities. Fee waivers are available for students who qualify for the school lunch program. Please ask your school counselor to see if you qualify for a fee waiver. Most students look to take their first SAT/ACT exam in the spring or summer of their Junior year.

COLLEGE PRESENTATIONS/COLLEGE AWARENESS: All year, college presentations are ongoing! Please sign up on www.ehscounseling.org under the college tab. For informational meetings from a wide range of universities, colleges and vocational schools. College Awareness Day is every Thursday! Please wear your favorite college gear every Thursday 😊

COLLEGE ATHLETES: If you are planning to play sports in college, please speak with your counselor regarding the NCAA requirements for Division I, II and III or NAIA. For more information: eligibilitycenter.org or www.naia.org

CSU A-G WEIGHTED GRADE POINT AVERAGE: For California State Universities, the college weighted GPA begins in the 10th grade and is based on the A-G requirements. When applying to universities and colleges, each university completes their own calculations, so pay attention to their requirements as they change annually. The GPAs listed on your transcripts are estimates.

COMMUNITY SERVICE: 30 hours of community service are required for graduation. However, if you are interested in attending a four-year university, you may need many, many more hours (100+). Start working on those hours now. Do not procrastinate!! For more information on volunteer opportunities visit volunteerssandiego.org and check our bulletin board in the counseling center.

COMPACT FOR SUCCESS: For guaranteed admission to SDSU, you must meet all of the benchmarks: continuous enrollment in the district, 3.1 or higher CSU GPA, satisfy the English and Math requirements, take the SAT/ACT, and complete all the "a-g" courses with a "C" or higher. THE CFS program does not apply to nursing, music, theater, and dance.

CREDIT RECOVERY/APEX online learning: If you received a D or F in an academic course, see your counselor to discuss APEX online learning, summer school or adult school. **1)** If you failed an academic class, you need to repeat that class for graduation **2)** If you received a D and you are interested in attending a four-year university, you need to repeat that class. D's are not accepted at a four-year university.

PRINCIPAL'S HONOR ROLL: Students must have an overall weighted GPA over 7 semesters of a 3.75 (starting in 9th grade through first semester of 12th grade). Students must also take at least two Advanced Placement (AP) courses within their four years of high school. Further, students can only have one D or F in citizenship in seven semesters of High School. Students also must have at least 100 hours of community service completed.

SCHOLARSHIPS: Updated Bulletins are posted on our ELHS website. Copies are also available in the Counseling Center. For more information, see Ms. Robles or Ms. DiDio in the Counseling Center.

COLLEGE FAIRS: Ongoing dates and times: www.CollegeWeekLive.com. Here you will find schedules for online chats with admissions officers from a wide range of colleges and universities. There are also virtual open houses available for universities such as UCSD, UC Berkeley, UC Riverside, UCSB and more! For more info, visit www.CollegeWeekLive.com or call 617- 938-6000.

THRIVELY: Thrively is an online tool that helps you develop self-awareness, find purpose, build skills and create impact. You will be completing a strengths assessment and selecting careers and interests to build your profile. Your counselor and teachers will be using this to help support you in and out of the classroom. You can access your account anytime at www.thrively.com. Sign-in using your school Google account.
