## JUNIOR BULLETIN

### 2018-2019

**COLLEGE ENTRANCE EXAMS:** The SAT or ACT (with writing) exam is required by most four-year universities. Fee waivers are available for students who qualify for the school lunch program. Please see Ms. Niemeyer in the Counseling Center for the fee waivers.

**COLLEGE PRESENTATIONS/COLLEGE AWARENESS:** All year, college presentations are ongoing! Please listen to the Bulletin and sign up in the Counseling Center for informational meetings from a wide range of universities, colleges and vocational schools. College Awareness Day is every Thursday! If you can, wear your favorite college gear every Thursday☺

**COLLEGE ATHLETES:** If you are planning to play sports in college, please speak with your counselor regarding the NCAA requirements for Division I, II and III or NAIA. For more information: [www.web3.ncaa.org](http://www.web3.ncaa.org) or [www.naia.org](http://www.naia.org)

**COLLEGE WEIGHTED GRADE POINT AVERAGE:** Depending on the university, the college weighted GPA typically begins in the 10<sup>th</sup> grade and is based on the A-G requirements. When applying to universities and colleges, each university completes their own calculations, so pay attention to their requirements as they change annually. The GPAs listed on your transcripts are estimates.

**COMMUNITY SERVICE:** 30 hours of community service are required for graduation. However, if you are interested in attending a four year university, you may need many, many more hours (100+). Start working on those hours now. Do not procrastinate!! For more information on volunteer opportunities visit [volunteerssandiego.org](http://volunteerssandiego.org)

**COMPACT FOR SUCCESS:** For guaranteed admission to SDSU, you must meet all of the benchmarks: continuous enrollment in the district, 3.0 or higher CSU GPA, satisfy the English and Math requirements, take the SAT/ACT, and complete all the "a-g" courses with a "C" or higher. THE CFS program does not apply to certain impacted majors.

**CREDIT RECOVERY/APEX online learning:** If you received a D or F in an academic course, see your counselor to discuss APEX online learning or summer school. **1)** If you failed an academic class, you need to repeat that class for graduation **2)** If you received a D and you are interested in attending a four-year university, you need to repeat that class. D's are not accepted at a four-year university.

**PRINCIPAL'S HONOR ROLL:** Students must have an overall weighted GPA over 7 semesters of a 3.75 (starting in 9<sup>th</sup> grade through first semester of 12<sup>th</sup> grade). Students must also take at least two Advanced Placement (AP) courses within their four years of high school. Further, students can only have one D or F in citizenship in seven semesters of High School. Students also must have at least 100 hours of community service completed.

**SCHOLARSHIPS:** Updated Bulletins are posted on our ELHS website. Copies are also available in the Counseling Center. For more information, see Ms. Robles in the Counseling Center.
